Kornit Storm HD6

R series

Retail Quality for Small to Medium Businesses
Kornit Storm Platform

Built for small to medium size direct-to-garment printers, the Storm platform offers an economical approach to printing.
Now also with an HD Technology configuration!

- **Superior printing on multiple fabric types**, including light and dark garments

- **No need for external pre-treatment and heat press**

- **Eco-friendly process** complies with strict industry standards

- **Ink recirculation** increases production reliability and reduces printing costs

- **Integrated humidity system**

- **Quick pallet replacement**

- **Fully automated maintenance procedures** for seamless workflow and long-term reliability

Support agreement offering

HD Technology

IRseries
Recirculating ink system for reduced cost per print and advanced reliability
